

Printing Photos, Fruit, Flowers, and other Fun Stuff on Fabric

by Caryl Bryer Fallert

30-40 minute technique lecture

Number of Students:

Depends on the size of the room, screen, and sound system.

Description:

In this teaching lecture, Caryl will show you how to create your own original fabric using an inexpensive, ink jet printer. You can use this method for printing pictures on fabric or you can create your own original designs. Caryl will show several of the quilts she has made, using fabric printed on her ink jet printer.

Student Supplies Needed:

Notebook and pencil.

Room Setup:

I will provide my own projector if an LCD projector is not available at your facility. You will need to provide

1. Podium or music stand for notes
2. Projector stand and small table next to podium for computer.
3. Electrical connection
4. Large screen so everyone can see from the back of the room
5. Sound system (lavaliere mike preferred) for audiences of more than 30 people.
6. Two or more tables for setting up a display and demo

Fee: \$400.00 (\$375.00 with workshops)
