Fine Art Quilts by Caryl Bryer Fallert-Gentry

Packing List Tube 2 Metal rods inside the center cardboard core.

Quilt Title	
	New Dawn + top & bottom rods
	On the Wings of a Dream + top & bottom rods
	Skylights + top & bottom rods
	Through the Gazebo Window + top slat (no bottom rod)

- Roll each quilt tightly around the center cardboard core, (top to bottom) in the order listed above.

As you finish rolling each quilt, tuck the top of the next quilt between the roll and the last 6"-8" of the previous quilt.

Please do not try to roll them all together at the same time, this will result in wrinkling of the inside quilts and will make the roll too big to fit into the tube.

- Place metal rods inside the center cardboard core.
- Finally, roll the wrapping sheet around the whole bundle and secure with the fabric ties (bows only please). Slide into the plastic sleeve and slide the whole bundle into the shipping tube. Slide the wooden slat into the shipping tube, next to the plastic sleeve. Please be careful not to rip the plastic sleeve.
