Design Concept & Process:

I have always loved traditional log cabin quilts, but wasn't interested in making one in a traditional way. This baby quilt was constructed like a traditional log cabin except that none of the blocks are square. Instead of using a rectangular grid I drew lines at various angles so the blocks became quadrilaterals of different sizes and shapes. All of the fabrics were hand-dyed in one-of-a-kind gradations. This quilt was made as a gift for my grand-nephew, David Bryer.
