Design Concept & Process:

This quilt is part of a series exploring the illusion of overlapping transparent triangles. All of the fabrics in this quilt were designed by Caryl for Benartex and come from her Gradations and Splash collections. The quilting was done with polyester top stitching thread, beginning with a series of feathered plumes in light gold. The background areas are quilted in swirling organic patterns in Caryl's signature style, with darker thread that has less contrast with the underlying fabrics.

The quilts in this series start with two square blocks with equilateral triangles. Square A has a dark triangle on a light background and Square B has a light triangle on a dark background. The squares are sliced into strips and reassembled with alternating strips from Square A and Square B. A pattern, complete workshop on CD and all of the fabrics for this quilt are available from the Bryerpatch Studio Internet Store.
