Design Concept & Process:

This is the seventy in a series of 12" x 12" miniatures made in 2020 and based on my previous designs. This one is based on my Illusion series and was digitally designed in Corel Draw and printed by Spoonflower.com.

The quilting began with two feathered plumes, surrounding a floral pattern in the center. The outer edges are quilted with interlocking fan patterns. The backing fabric is from my Splash collection for Benartex. The binding from my Atmosphere collection.
