Design Concept & Process:

This is one of a series of quilts that combine zigzags, circles, and curved shapes, in this case, thick and thin waves and graduated orbs. Using Corel Draw, I drew and painted the design on my computer and had it digitally printed on cotton fabric by Spoonflower. The quilting was done with many different thread colors and patterns. The binding strips were designed especially for this piece. The backing fabric is from my *Splash* collection for Benartex.
